ydifrehtenam this state. This property had been involved in a distant relationship because Mr. Bennet has no male heir to whom the property could have been granted. Mr. Bennet has five daughters and no son. That means that, with Mr. Bennet's death, the entire property would automatically pass into Mr. Bennet's hand. Collins, a male relative in whom he had been wrong. This is undoubtedly a dark perspective of the family. Q 7. Why are Elizabeth and Jane staying at Netherfield Park? Ans. One morning, an invitation came from Miss Bingley, inviting Jane to a dinner. Jane was informed that many first-class people were also invited to this dinner. Everyone in the Bennet family is happy with this information. Due to the low economy, Jane has to ride on horseback to get to Netherfield Park. It starts to rain right after Jane left. She gets completely wet and took a cold and can't go home the next morning. She writes a note to Elizabeth informing her current condition. Mrs. Bennet thinks that during this stay, Jane must be much more familiar with Mr. Bingley. However, Elizabeth thinks she should go and keep the company with Jane, who is now ill. But the condition of Jane gradually worsens and the doctor advises for complete rest. So, Jane and Elizabeth had no choice but to stay in Netherfield Park. Q8. What kind of lady you are. Bennet? Ans. Mrs. Bennet is a comic character. She behaves and talks with humor. She says that Jane should not be removed from Netherfield Park, because she is very sick, although Miss Bingley does not like Elizabeth, who is now with Jane. She interprets Miss Bingley's cold activity as a warm activity and offers much thanks to her. She speaks frankly, no matter who is present. At the same time, she has some sensible ideas. In a written letter from Hunsford, Collins deplores the fact that the differences existed between his dead father and the Mr. Bennet and says he would like to cure the violation that now exists between him and Família Bennet. He also writes that, as a clutter, he considers his duty to promote and establish peace and harmony in all Fanmy within the reach of his influence. Finally, he writes that he would call Mr. Bennet the next Monday and would be with his Família for a whole week. Even, he is ready to marry a daughter of Mr. Bennet as a compensation for the loss of all property of Bennet, which must pass it on. Q 10. Like Mr. Collins praises Lady Catherine? ANS. After the dinner is over, Mr. Collins informs Família Bennet that he is very lucky to have won the favor of Lady Catherine. Mr. Collins is eloquent in praise of that lady. She had appointed him as a rector of his parano and was very pleased with the sermians he had delivered to the church and to which he had heard gracefully. Collins says he was invited to dinner twice by her at Rosings Park. Lady Catherine also asked him to join the card game in his residence. For him, Lady Catherine is not proud, although other people think she is proud. He continues to say that Lady Catherine has a daughter who is very charming. For him, this girl is just a duchess. That way, Mr. Collins praises Lady Catherine's glamor, but this description gives rise to a thought in Bennet's mind that Mr. Collins prefers flattering. Q 11. What accusations Wickham brings against Mr. Darcy? ANS. While talking to Wickham, Elizabeth calls the accusations again, Darcy and calls him to be a proud man. Next, to aggravate isabel against darcy, wickham says that the father of darcy was an excellent man, but darcy himself is an odious man. He says he himself suffered a lot in the hands of darcy. he also says that he has all the reasons to feel grateful to the late father of darcy, but the darcy treatment of him has been completely scandalous. Mr. wickham, then, continues to say that he had never pointed to a military career, but that he had been forced to join the militia because he had been deprived of a church career by Mr. darcy. Q 12. Why does Mr. Collins propose to marry the elizabeth? Mr. Collins makes a proposal to marry elizabeth for three reasons. first, he thinks it is the right thing for each cleric in his circumstances to set an example of marriage in his parish. Secondly, he is sure that marriage will greatly add to his happiness. Thirdly, it is the private advice and recommendation of lady catherine, his patroness that he must marry. he also tells the elizabeth that before coming to longbourn, he had decided to choose a wife from among the daughters of Mr. bennet. as he has to inherit the property of Mr. bennet, he will deprive the bennet family of his own property. then, marrying one of the bennet sisters, he would like to compensate for this loss. collins also expresses his view of not taking any dowry from Mr. bennet due to his poor financial condition, but proposes to marry elizabeth. - 13. Why is Mrs. Bennet angry with the elizabeth? ans. sra. bennet feels very angry with elizabeth, when she finds that the latter rejected the wedding proposal of collins. But to save the situation, she tells Mr. Collins that somehow she and her husband would prevail over elizabeth to accept Mr. Bennet supports his daughter. but, taking all the matter in yourhands, she talks to Elizabeth, the thigh and alternately the threat. threat. ?mahkciW erbos htebazilE uohlesnoca renidraG .arS a euq O .61 Q .snilloC ed otnemasac ed atsoporp a atieca ale ,ofAtmE .omix<sup>3</sup>arp orutuf mu me tenneB ed edadeirporp a adot airiugesnoc ele e acir a ossep amu ,adiv<sup>3</sup>Ad mes ,aires odiram ues siop ,etrof orutuf mu |Året ale ,snilloC .rS o moc rasac es oa ,osac esseN .rabag es arap azeleb atium met of Ån e sona 72 met |Åj siop ,zilef etnemartx<sup>3</sup>e |Åtse ettolrahC airp<sup>3</sup>arp A .sepÅÅamrofni sasse rivuo oa romuh mob ed |Åtse sacuL ailÅmaf an odnum odoT .otnemitesnocs ues of Åd siap sues e atieca etnemalorp ettolrahC .aÅÅnaifnog ed uarg otrec mu moc ala moc etnemacitfae ed atsoporp amu zaf ale aroga e roiretna aid on arodajarocone etnatsab are ale euq uohca snilloC .tenneL aÅlAmat ad otnemecchnoc o mes sacuL ttolrahC atisiv snilloC .rS O .snA ?snilloC ed otnemasac ed atsoporp a atieca ettolrahC omoC .51 Q .kraP dleifrehteN oa ranroter eved yelgniB e sonalp sues me airahlf yelgniB ssiM euq etnemacitfae zid htebazilE siop ,zilef |Åtse enaj ,otnatne oN .errorm e iÅriunimid azetrec moc enaj moc rasac es yelgniB .rS o ed ecnahc a ,otnatrop ,e ale e ale erte laossep otatnac ainevah of Ån ,onrevni o odot etnarud kraP dleifrehteN oa ranroter eved yelgniB .rS o es ,saM .enaj a otnemasac ahnorp ed etnematreC yelgniB .rS o euq arepse alE .sale artnac yelgniB sfÅmri ed onalp mu @Å euq zid e ossin ratiderca edop of Ån htebazilE .anaigroeG .ycrad ed fÅmri a moc rasac es ajesed yelgniB euq atrac assen oralc uxied euq ,yelgniB atirohnes alep adaivne @Å atrac amu ,saM .ale moc otnemasac airoporp yelgniB .rS o everb me otium euq arepse enaj .snA ?enaj ed lainomirtam aÅÅnarepse a odiunimimid |Åtse omoC .41 Q .htebazilE enoissesp of Ån tenneB .arS a euq edep snilloC oirp<sup>3</sup>arp o ,otnatne oN .odiram mu airiugesnoc acnun ale ,arienam assed otnemasac ed satrefo sa sadot odnasucer raunitnac etse es ,euq htebazilE asiva e sacuL ettolrahC ed aduja a edep ale @ÅtA .otnussa essen enaj ed oipa o reuq amu me aroga |Åtse ale ,ossid odatluser omoC .enaj moc rasac es ed yelgniB uidaussid ele euq zid alE .sotcepsa sotuo aatralusni etnes es htebazilE saM .sadaida of Å sepÅÅaredisnoc sa sadot euq osnetni of Å @Å ale rop edel roma o saM .laicos sutatas e laicos edadirorefni aus ed rasepa ,ale moc rasac es reuq e htebazilE rop odanoxiapa etnemadnufop |Åtse elE .sotnemites sues rarepus uiugesnoc of Ån ele euq htebazilE a zid ycrad etnepet ed ,etion amU .snA ?ycrad ed otnemasac ed atsoporp a agen htebazilE euq roP .81 Q .enaj ed siajomirtam saÅÅnarepse sa riurts rop levÅsnopser etnemalot @Å ycrad euq ed azetrec met aroga htebazilE .rasac es aireuq ele meuq moc rasac es ed yelgniB .rS o euq ale a zid elE .htebazilE uocohe euq lativ of ÅÅamrofni amu ued memoh o saM .ycrad anaigroeG ed otnujnc of Åidraug mu @Å elE .ocir etod rezart edop euq rehlm amu moc rasac es |Åratnet ,etnatrop ,e lartsecna edadeirporp atium |Åradreh of Ån ele ,rohneS mu ed ovon siam ohliF o odnes ,euq zid m@Åbmat elE .ycrad ed seÅÅiced salep odanimreted @Å ortuo arap ragul mu ed sotnemivom soirp<sup>3</sup>arp sues euq ale a essid elE .serdnoL arap airtatlov e drofsnuH airaxied ycrad etnemlevavorp euq ele moc uednerpal elE .ale arap setnatripmi sepÅÅamrofni samugla ued omit<sup>3</sup>Å o e osaca rop mailliwztiF uecheinoc htebazilE ,aid mU .snA ?htebazilE arap mailliwztiF lenoroc olep sadicenrof marof sepÅÅamrofni siauQ .71 Q .mahkciW rop of ÅÅarimda e ohnirac ues ratsiuqnc |Åratnet etnematreC e sarienam saus ed assesp |Åartsom of Ån euq zid e ait aus moc adrocnoc htebazilE .zilefni res edop odasac ed adiv a ,otnatrop ,e anutrof m@Åt mahkciW men ale men euq htebazilE ahlesnoca etnemaralc alE .ale moc otnemasac o ejuAporp etse es mahkciW moc rasac es me radrocnoc me assesp reuqlauq artnac htebazilE atrela ,mahkciW rop of ÅÅarimda ednarg amu odnitnes |Åtse htebazilE euq rebas oa ,renidraG .arS uotart uotart ycrad euq erefer es ale ,ossid m@ÅlA .acig; She sees the letter written in an arrogant mood. However, she feels shocked by Wickham's mistakes, his extravagance, profligacy etc. She makes Wickham love Miss King just for greed. She cannot understand why once Wickham had tried to give her the impression that he was in love with her. Don't be lucky, because it has become an object of your respect and attention, it is not clear to her. Q 22. Describe the conjugal life of Mr. and Mrs. Bennet. Ans. Mr. Bennet married his wife, being captivated by her youthful beauty, but later he found her to be a lady of weak intelligence and narrow mind. Thus, Mr. Bennet's hope of a married happy life is poured on the ground early in his marriage. Your domestic happiness doesn't come to anything because of Mrs. Bennet. So now your only pleasure is the books. Now, he derives some fun from the pure ignorance and madness of his wife, Elizabeth feels restless for the life that her parents are leading. But, she feels pleasure when her father has fun with her mother. Even she is disappointed by the marriage problem, the Bennet sisters are feeling. Q 23. Describe Lydia's elopement with Mr. Wickham. Ans. While Elizabeth stays in Lambton with her uncle and aunt, she gets some letters from Jane. Jane also wrote that, according to Mr. Denny, Wickham's friend, Wickham had no intention of marrying Lydia and he had probably forced Lydia to flee with him, his real purpose being only to satisfy iav iav ^Ås mahkciW euq uomrofni m@Åbmat retsrof lenoroc ues arap air^Åxul Lydia Lydia and nothing According to the letters of Jane, Mr. Bennet has gone to London to try to trace Lydia. Q 24. What are Wickham^ÅÅs terms for marrying Lydia? Ans. In a letter, Mr. Gardiner informs Mr. Bennet that he has been able to meet Lydia and Wickham who are now standing in London. They have not yet got married, Gardiner writes Wickham might agree to marry Lydia in case Mr. Bennet accepts Wickham^ÅÅs terms on which he is ready to marry the girl. Wickham wants that Mr. Bennet should give Lydia her equal share of 5000 pounds which the Bennet girls are to receive at the death of their parents. Subsequently, Mr. Bennet should agree to give Lydia an allowance of 100 pounds per year as long as Mr. Bennet remains alive. Gardiner has also written that Wickham^ÅÅs conditions are not too hard. However, all the members of Bennet family are happy with the news that Wickham will marry Lydia if his case is considered by them. They also praise the role of Mr. Gardiner to solve a serious problem with at least a satisfying solution. Q 25. How does Mr. Bennet express his anger against Lydia? Ans. When all the members of the Bennet family are happy with the news that Wickham will at last marry Lydia and they are in a jubilant mood, Mr. Bennet is not much affected by this development. In fact, Mr. Bennet continues to harbour a strong resentment against Lydia for the manner in which she had behaved and for the discredit which she has brought to the family. He bluntly tells his wife that he would never allow his daughter Lydia or her husband Mr. Wickham to enter his house. On the other hand, Mrs. Bennet and Elizabeth are happy for at least the marriage tie between them. Å Q 26. How does Darcy help the wedding of Lydia and Wickham? Ans.
